

Northwest General Hospital Successfully Completes KP Health Care Commission Assessment

Renewal of Full License Reinforces Our Commitment to Quality, Patient Safety, and World-Class Healthcare Excellence

Northwest General Hospital & Research Centre, Peshawar, successfully underwent assessment by the Khyber Pakhtunkhwa Health Care Commission for the renewal of its full license. This milestone reflects our continued commitment to maintain the highest standard of quality, patient safety and excellence in healthcare. We remain dedicated to deliver trusted, compassionate, and world-class medical services to our community.

NWGH&RC Hosts Symposium on Obesity in Women's Health

Beyond Weight Management" Highlights the Need for Comprehensive, Evidence-Based and Patient-Centred Care for Women Living with Obesity

The Medical Professional Education Deanery (MPED), in collaboration with the Departments of OBGYN and Endocrinology, Northwest General Hospital & Research Centre (NWGH&RC), Peshawar, organized a one-day symposium on "Obesity in Women's Health: Beyond Weight Management."

The symposium highlighted the growing impact of obesity on women's fertility, pregnancy, metabolic health, and long-term disease risk. Prof. Dr. Sidra Jabbar and Dr. Arshad Hussain shared evidence-based insights, emphasizing that obesity management goes beyond weight reduction and requires early risk identification, lifestyle modification, appropriate medical care, and patient-centred approaches.

کیا آپ ان مسائل کا شکار ہیں؟

- گھٹنوں کا دائمی درد
- نیشی ایلیو (کھنی کا درد)
- جوڑوں کی سوجن یا آکڑاہٹ
- کندھے یا گولے میں مسلسل درد
